Clarification 1-Asset Disposition Consultant

Clarification	Response
<p>1. We would like to get some clarification on the TORs. Is it part of the bidding process that you can provide us with a list of the assets to be disposed-off and those to be transferred to the eligible recipients/beneficiaries? We feel it will be of help to have the list of the assets for us to provide our proposal for the assignment. Kindly advise.</p>	<p>Please refer to Addendum 2</p>
<p>2. Can you please disclose whether there is additional information available regarding the subject acquisition, such as a PWS or SOW? Is this a new requirement or is there a historical precedent for the scope of services.</p>	<p>Other than as noted in the Request for Proposals and the 1st and 2nd addendum there is no other information available</p>
